MANNINGTON

W. C. T. U. Meeting.

The Executive board of the W. C. T. U. closed a two day session here on Thursday evening, during which they perfected plans for the launching and carrying forward of their great jubilee campaign drive; this began March 30th and will continue until May 31st, except that work will be suspended during the three weeks of the Victory Loan drive. The West Virginia campaign is a part of the National jubilee campaign which is being launched all over the United States with an objective of a million dollars for the whole country. The money of which this state must raise \$2,500 is to be an expression of thanksgiving to God for National prohibition and will be used largely for World prohibition. Among the women assembled here were Mrs. Lenna Lowe Yost, of Morgantown who is state president of the W. C. T. U. and who, as National Legislative representative has spent the past winter in Washington; Mrs. Olive C. Barnes, of Fairmont, state vice president; Mrs. Blanch M. Pickering, of Rowlesburg, corresponding secretary; Mrs. Edith M. Sweet, of St. Albans, recording secretary, and Mrs. Jennie E. Engle, honorary vice president. The executive committee appointed as general director of the state jubilee fund, Mrs. Rudd T. Neel, of Huntington. Mrs. Neel is a speaker of state and national reputation and will spend a part of her time speaking at various points in the state in the interest of the campaign. Mrs. Neel has an attractive personality, a ready command of language, and a boundless enthusiasm for the cause that makes her a forceful and an entertaining speaker. The Mannington Union and its friends responded royally to her appeal, and in a few minutes there was subscribed

A Queer Old Bird is The Pelican

Its bill holds more than its bellican.

But at that, its heart is bigger than its bill. It is the only bird which shares its food with other and weaker fowl.

So the queer old pelican looms up handsome in Goodrich's eyes—eyes which see beauty that is more than skin deep.

Goodrich, it is true, makes Silvertown Cords the handsomest tires—the very Beau Brummel tires of smart cars.

Yet if clumsiness and ugliness would add one mile to their service, Goodrich would make them clumsy and ugly as the queer old pelican.

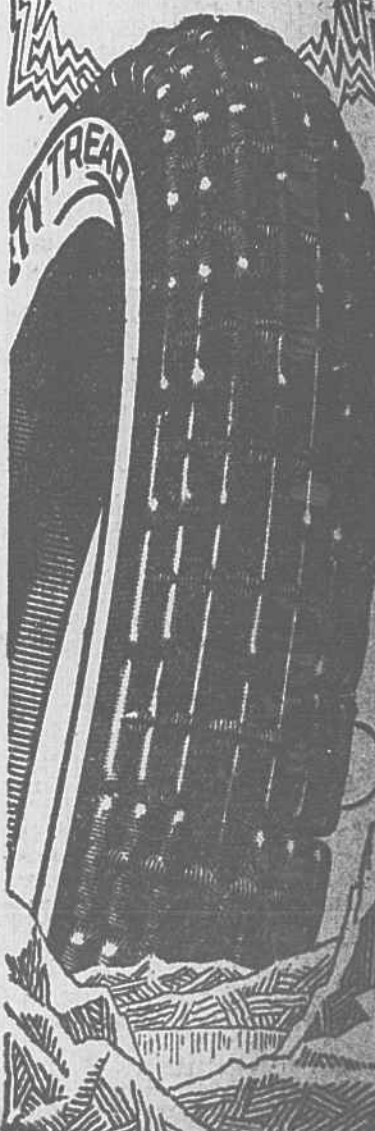

"Quality First," rules in the manufacture of Silvertowns; and they render quality service first and last.

Give your automobile the obvious grace and elegance of the Tires with the Twin Red Diamonds on the sidewall. Their mileage is sure.
